OPEN FOUR-SEATER SPORTS

A full Four-Seater embodying all the proportions and characteristics of the S.S. I. Few, if any, cars have made such a mark as the S.S. I, which has secured an award in every concours competition of importance in this country and abroad, including the unlimited open car class at Monte Carlo this year. In this event the S.S. competed with cars of all countries, irrespective of price.

The S.S. II. Open Four-Seater Sports makes a strong appeal to those who desire a small car with big car performance, comfortable seating accommodation, and weather protection.
