

**JAGUAR**  
THE ART of PERFORMANCE

**XJ SERIES**

The elegant styling and Classic interior of the XJ8 4.0 litre are deceptive. Sports suspension gives a direct feel for the road. Distinctive 8" x 16" 'Eclipse' alloy wheels and 290 bhp as standard guarantee a gripping experience.

**XJ8 4.0 LITRE**

FLEETING IMAGE

*XJ8 4.0 Litre shown in Roman Bronze, with Sport Pack. Sport Pack includes: Sport warm charcoal interior theme, embossed leather sports seats, Sports suspension, Eclipse or Celtic alloy wheels, de-chromed window surrounds and colour keyed grille and boot plinth*

Jaguar's V8 engine family was developed with the enthusiast in mind. The XJ Series optional Sport Pack makes the message perfectly clear. Inside and out, the image is of sporting intensity. Sport tune suspension and power in abundance ensure that the promise is kept.

**XJ** SPORT PACK: XJ EXECUTIVE,  
XJ8 & SOVEREIGN

MISSION STATEMENT

Smooth power with special luxury. Welcoming you inside, the Sovereign's steering column automatically tilts away and the driver's seat moves back. The 3-position memory for the door mirrors, steering column and driver's seat guarantees your comfort.

*Wood and leather steering wheel, wooden gear knob and cupholder are optional*

**SOVEREIGN 4.0 LITRE**

**XJ**  
SERIES

PERFORMANCE BONUS

## XJR 4.0 LITRE SUPERCHARGED

### ABSOLUTE POWER

Power of 370 bhp should interest the most seasoned driver. The XJR delivers performance, roadholding and high speed stability that would be perfectly at home on the race circuit.

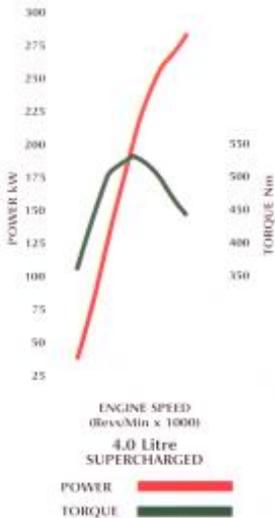

**XJR 4.0 LITRE  
SUPERCHARGED**

ADRENALIN AS STANDARD

With Jaguar's Computer Active Technology Suspension (CATS), 18" wheels and direct steering feel, the XJR has extraordinary capability. Power with sophistication. Drive it; you could find it addictive.

**QUALITY CARE  
AND REASSURANCE**

**Accessories**  
Extra touches of style, comfort, safety or practicality - ask your Jaguar dealer for the XJ Series Accessories brochure.

Jaguar Financial Services offer a range of finance and insurance plans tailored to provide maximum choice and flexibility. Business or personal, your Jaguar dealer will match your requirements to the most appropriate plan.

*Jaguar Financial Services may not be available in some markets.*

**Jaguar Total Care**  
The XJ Series is backed by a 3 year or 60,000 miles (100,000 kilometres) Vehicle Warranty and 24 hour incident management, including onward travel and hotel accommodation in the UK. Mondial Assistance gives similar cover in continental Europe.

After decades of racing and rallying victories, a new era in Jaguar's history has begun. There is now a Jaguar contender in Formula One, powered by an 800-plus bhp V10 engine.

Jaguar chose the all-aluminium 'V' design for its latest generation of production engines because it combines rigidity with light weight. Strength gives refinement; the light weight means higher performance and fuel efficiency.

These inherent advantages are enhanced by state-of-the-art features. The fully electronic throttle gives an instant response. On the 3.2 litre and normally aspirated 4.0 litre engines, sophisticated cam phasing systems deliver high torque across the rev band.

**Engine** – AJ-V8 engine family of 3.2 litre, 4.0 litre and 4.0 litre supercharged derivatives, 90 degree V8, 32 valve, quad camshaft, all aluminium lightweight unit, Innovative air inlet manifold, close-coupled catalytic converters, bespoke engine management system, Continuously variable cam phasing (VCP) on the normally aspirated 4.0 litre engine.

**Transmission** – Electronically controlled, intelligent, five-speed automatic transmission featuring wide gear ratio spread, overdrive top gear and advanced low-inertia torque convertor. Maintenance-free design, Gearshift-interlock protection feature, 'J' gate gear selector facilitating automatic and manual selection, Sport and normal selection.

**Braking System** – Vacuum assisted 4 wheel disc brakes ventilated at front and rear, 4 wheel sensing anti-lock braking system with yaw control, Safety split front and rear circuits with fluid level and anti-lock failure warning, Hand operated mechanical parking brake on rear wheels.

**Steering** – Servotronic rack and pinion variable ratio speed related power assisted steering with 2.8 turns lock to lock, Energy absorbing steering column with tilt and axial adjustment and airbag steering wheel.

**Front Suspension** – Fully independent with unequal length upper and lower wishbones mounted to fully isolated front crossbeam. Arranged to provide anti-dive effect under braking, Steel coil springs, gas filled mono-tube dampers (adaptive on XJR) and anti-roll bar.

**Rear Suspension** – Fully independent double wishbone type system incorporating driveshafts acting as upper links, Wishbones designed for anti-squat and anti-lift under acceleration and braking, Concentric steel coil springs and dampers (adaptive on XJR), Anti-roll bar on sports derivatives.

**Body Construction** – 4 door saloon, All steel monocoque construction with front and rear crumple zones including front crush tubes, Wrap around protective bumpers, Drag co-efficient 0.37

**Paint and Protection** – Box sections and closed members hot wax injected, Cathodic electro-coat, Clear over base waterborne paints process with automated electrostatic application of primer/sealer and clear coats, Colour matched primer coat, PVC underseal, 65% zinc coated body panels by area.

POWER ———  
TORQUE ———

The supercharged engine of the XJR provides still more entertainment, with nearly half the power output of current Formula One machines; yet civilised beyond measure.

RACING  
FORM

Rain sensing wipers, automatic headlamps and cruise control on all models make driving effortless. Heated front seats and a memory setting for the driver's seat, steering column and door mirrors are also available (see Standard and Optional Equipment list).

Route finding made easy; the XJ Series' optional navigation system uses voice and visual guidance to help you arrive at your destination. If you miss a turn, the re-route facility quickly puts you back on course.

The XJ Series' latest optional phone system has an increased 8 watt output for improved performance and call quality. Hands free reception is also enhanced. Dual bands, dictaphone capability and voice active memory are among the advanced features.

*Only the first few letters of a city or street name need to be entered, and lists of possible names are then displayed for selection. You can also choose your route from recent destinations, points of interest or main intersections. Other options include shortest time or shortest distance, and avoidance of motorways.*

SOPHISTICATION WITH  
SIMPLICITY

The XJ Executive's 3.2 litre V8 engine and Touring suspension tune make a hundred mile journey pass like a dream. The only thing you won't have is an excuse for being late.

**XJ**  
SERIES

**XJ EXECUTIVE 3.2 LITRE**

IT'S BETTER TO TRAVEL

Taut suspension, 'Eclipse' alloy wheels and purposeful styling; continued with the Warm Charcoal interior and embossed leather sport seats. The XJ Sport feels as good as it looks.

**XJ SPORT** 3.2 LITRE

IN GOOD SHAPE
