is about to get better.

ENGINEERED TO SEAMLESSLY MERGE STUNNING STYLE, bold performance and impeccable craftsmanship, your X-TYPE only requests your personal touches to complete its emergence.

From sporty alloy wheels to the innovative Audio Connectivity Module, this brochure offers a range of accessories specifically developed to enhance your ownership experience. Whether you add a compelling styling cue to your X-TYPE, augment its exterior protection, or select an item that supports your lifestyle pursuits, these additions complement your already extraordinary vehicle.

Designed specifically for your X-TYPE, the accessories are all approved by Jaguar — meaning they meet the same exacting standards as your premium vehicle.

Jaguar invites you to peruse the following pages and consider how you might add your personal touch to your X-TYPE. As always, your dealer stands ready to consult with you and answer any questions you may have.

Accessorize. Your X-TYPE awaits.

WHEELS

TRUMPET THE PERFORMANCE HERITAGE OF X-TYPE WITH SPORTY, durable alloy wheels. Thoughtfully engineered by Jaguar specialists to meet the same exacting standards as your standard equipment wheels, they attractively underscore your X-TYPE's beauty. (Note: Wheels are sold individually and may require different tires. Centre caps and wheel nuts are not included. Consult your dealer for details.)

ENGINEERED FOR EXCELLENCE

ALL JAGUAR-APPROVED ACCESSORIES ARE RIGOROUSLY TESTED to the same exacting standards as our vehicles. They are examined under a range of temperatures, conditions and impacts to ensure durability and functionality worthy of Jaguar. Some of our testing categories include:

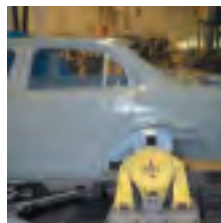

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Jaguar accessories.

VIRTUAL ENGINEERING

Computer-Aided Design is used to ensure accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish that you have come to expect from Jaguar.

ENVIRONMENTAL

Different climates provide different challenges for these parts. Jaguar accessories are tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the car itself, rigorously analyzed far beyond the extremes of normal customer usage.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.
